

Hunt County Family & Community Health Committee Application

Texas A&M AgriLife Extension's Family and Community Health (FCH) unit helps Texans better their lives through science-based educational programs designed to improve the overall health and wellness of individuals, families, and communities.

Purpose of the Program Area Committee: To ensure that programs relevant to local needs are being developed and implemented.

Benefits of serving on the Program Area Committee:

- Be a significant part of the educational program throughout the county.
- See the impact the program has in the county.
- See the positive change in program participants.
- Experience personal growth from participating in this vital effort.

Responsibilities of the Program Area Committee: The six specific functions of the committee are:

- To assist the County Extension Agent (CEA) with the planning phase of programming.
- To assist the CEA with the implementation phase of programming.
- To assist the CEA with the evaluation phase of programming.
- To assist the CEA with the interpretation phase of programming.
- To assist the CEA with committee membership rotation to ensure optimum representation and diversity.
- To use the best management practices for financial management adopted by The Texas A&M University System and Texas Extension.

Hunt County Family & Community Health Committee Application

- ◆ **Other information or activities you think would be helpful when serving on this committee.**

- ◆ **For Applicant:**

I understand that if I am appointed to this committee, I will be expected to participate actively and attend all meeting necessary. Three consecutive absences of a member from more than 25% of the meetings in any six-month period shall cause review of the attendance record. If I am unable to serve, I will notify the Hunt County Family & Community Health Agent.

Signed: _____
